Building Operations's snow removal and deicing vehicles work in priority order to ensure the highest-risk areas of campus are kept free. The map below shows the order in which these weather-activated routes are cleared. Calls to these routes to get where you're going! We can only begin plowing when there is at least 2” of snow.

NOTE: NW Marine Drive, SW Marine Drive and University Boulevard from Blanca to Wesbrook Mall are cleared by the BC Ministry of Transportation’s maintenance contractor.

Outside Regular Hours:
- All other times

- Parkades & surface lots
- Transit Exchange

We can only begin plowing when there is at least 2” of snow.
