NOTE: NW Marine Drive, SW Marine Drive and University Boulevard from Blanca to Wesbrook Mall are cleared by the BC Ministry of Transportation’s maintenance contractor.

Building Operation’s snow removal and deicing vehicles work in priority order to ensure the highest risk areas of campus are open first. In extreme weather, stick to these routes to get where you’re going!

We can only begin plowing when there is at least 2” of snow.

CAMPUS SNOW AND ICE MANAGEMENT PLAN

- Primary Roads
- Primary sidewalks & pathways
- Other’s jurisdiction
- Parkades & surface lots
- Transit Exchange
